

Mansard Re-do Project 4

4/19/17

On 4/19/17, there was a special meeting with the purpose of interviewing representatives from the two construction companies that had submitted the most encompassing and detailed bids. Each company was allowed 1 hour for presentation and questions; both companies did an excellent job.

After the interviews there was much discussion. One board member called for a vote, this was seconded, and a vote was taken.

However, those that did not attend the meeting, or left before the meeting was adjourned, objected because they didn't vote. It was pointed out that there had been quorum and the vote was a majority vote.

At the 4/24/17 executive board meeting there were questions compiled to determine the truth of statements made by the contractors during the 4/19 special meeting. Once received, the answers were obtained and distributed.

On May 4, 2017 it was announced that Hillco Building Service LLC was awarded the bid for the Mansard Project.
